

## Huron Perth Emergency Services and Designated Officer(s) Contact Information

Huron Perth Public Health is required to keep an updated contact list of Designated Officers and 24/7 contact numbers for local Emergency Service Worker (ESW) organizations. This information is important for when Public Health has to follow-up regarding potential ESW exposures to a Disease of Public Health Significance (DOPHS).

Please complete this form and return to Huron Perth Public Health at fax: 519-271-2195 or email to [idteam@hpph.ca](mailto:idteam@hpph.ca).
